PACKAGE A

Career Passion

This will help you define the kinds of work you are interested in doing. Identify areas of occupational interest and correlate with work personality. Plus one follow up consultation.

PACKAGE B

Career Passion, Aptitude and Ability

This correlates interests, work personality, and special aptitude ability assessments to identify potential career paths. Plus one follow up consultation.

PACKAGE C

Comprehensive Career Evaluation and Planning

Combines packages A and B plus three follow up consultations for the purpose of career planning, vocational exploration, transferable skills analysis, labor market info/resources, job seeking skills, and, if applicable, vocational rehabilitation/disability counseling.
